Agreement

Pupil's name:

School Vision

Bransty School's vision is to create and maintain a learning environment that challenges and inspires our pupils and the wider community. We will encourage young people to be the best that they can be, aim high and to become happy, self-confident and responsible members of the wider community.

School Ethos

Bransty School is fully committed to every child receiving the very best education and to ensure that all pupils reach their full potential. In order to achieve this, teachers aim to deliver outstanding lessons and the school rightly has high expectations of its pupils. We expect all members of the school community to behave well, work hard, achieve high standards appropriate to their learning abilities, show respect for one another and to ensure that Bransty School is a positive and safe place to be.

For the school to achieve a positive ethos it is essential that all members of the school community work well alongside each other and develop positive working relationships (this includes all staff and other adults working in the school, pupils and parents/carers). Having a positive ethos helps to ensure good behaviour from pupils in school. Young people learn by example and as such, having high standards of expectations from all parties involved in their education will create adults with similarly high standards.

Introduction

This Home-School Agreement has been developed in consultation with pupils, parents, staff and governors and reflects key policies within the school. The Agreement is designed to support all members of the school community and to be clear about and fulfil their role in ensuring each young person can be 'the best they can'. It is assumed that all members of the school community agree with this document in its entirety, and will, if an issue arises, conform fully to its expectations. Where this is not the case, parents/guardians must communicate this to the school, in writing, stating precisely the concern they have and stating their reason for not supporting the contents of this Agreement fully.

Parents who take their children on an unauthorised holiday in term time could be issued with a Fixed Penalty Notice and will be asked to pay a fee. School trusts that families will support their child in this matter as we are all working hard on helping our pupils to succeed.
